At the Half-yearly General Meeting of Subscribers to the Bengal Civil Fund, held at the Town Hall, on Monday, the 29th January 1883, *at* 10 A.M.

D. R. Lyall, Esq., in the Chair.

The following report was submitted by the Managers:—

REPORT.

1. The Managers submit the proceedings for the past half-year for the consideration and sanction of the meeting.

2. Subject to the approval of the subscribers, they have admitted to the benefits of the Fund the following families:—

3. An application has been received by the Managers from Mr. George Harper, on behalf of Mrs. Margaret F. Campbell, an Incumbent under the Old Rules, to allow him and Mrs. Campbell's son, Lieutenant-General J. D. Campbell, to draw Mrs. Campbell's Annuity, as she has become incapable, owing to illness, of managing her own affairs. There is no provision made in the Old Rules for cases of this description. Under the special circumstances of the case, however, the Managers have consented, subject to the approval of this meeting, to allow Mr. Harper and Lieutenant-General Campbell to draw Mrs. Campbell's Annuity on their signing an agreement to indemnify the Fund against any loss which may be incurred in consequence of the permission given. The Agents have since intimated the death of Mrs. Campbell.

4. A letter has been received from Mr. R. B. Chapman, C.S.I., an Annuitant, in which it is suggested that the Agents of the Fund in London should be authorized, in anticipation of the sanction of the Managers and Service, to advance an instalment of Annuity as well as the donation of £200 or £300, as the case may be, to the families of Subscribers becoming Incumbents on the Fund. The Managers have informed Mr. Chapman that they are unable under the existing Rules, to carry out his suggestion. With a view, however, to lessen the delay which now takes place, an arrangement has been made with the Agents for the transmission to the Civil Fund Office, by telegram, of the news of the death, in Europe, of any subscriber who has recorded, under Article V in the Fund Office the evidence necessary for the admission of his family to Fund benefits. In such cases the Managers will issue the necessary instructions to the Agents by telegraph. The following Circular on the subject has been addressed to all Married and Widower subscribers.

No.

FROM C. S. BAYLEY, ESQ.,
Secretary, Bengal Civil Fund,

To

Calcutta, the

SIR,

IT has been brought to the notice of the Managers of the Fund that inconvenience is not unfrequently caused to the families of subscribers dying in Europe owing to the delay involved in obtaining the instructions of the Managers regarding their admission to Fund benefits, and it has been suggested that the Agents should be authorized, in anticipation of formal sanction, to pay at once an instalment of the pension and any donation to which such families may appear to be entitled.

2. The adoption of this course is, the Managers believe, not open to them under the Rules of the Fund. With a view, however, to lessen the delay which now takes place, and thus as far as possible to obviate hardship to the families of deceased subscribers, they have made arrangements with the Agents that intimation shall be given by telegraph of the decease in Europe of any subscriber who may, under the last clause of Article V of the Rules of the Fund,* have recorded in the Fund office the necessary evidence regarding his marriage and the age of his wife. In all such cases the Managers will ordinarily telegraph the necessary instructions to the Agents for the admission of the family to the benefits of the Fund and for the payment of pension and donation. In such cases it is believed that very little time will be lost.

* Every married subscriber shall be at liberty to submit, for the examination of the Managers, a certificate of his marriage, and a certificate of baptism or other evidence of the date of birth of his wife. Should such certificates or evidence be accepted, the dates shall be recorded, and it shall not ordinarily be necessary thereafter to give evidence regarding the facts.

3. A list will be transmitted to the Agents of those subscribers who have, up to the present time, taken advantage of the last clause of Article V. This list will contain the necessary particulars as to the number and ages of the persons who, in the event of decease of such subscribers, would be entitled to become incumbents on the Fund, and supplementary lists containing similar information will from time to time be forwarded to the Agents.

4. The number of married subscribers to the Fund who have hitherto availed themselves of the permission given by the Rule, is not very great, and the Managers desire me therefore to point out to you the advantage which you may secure to your family by taking steps for the registration of the required evidence. Evidence of the date of birth or baptism of children is not required under the Rules.

I have, &c.,

(Signed) C. S. BAYLEY,

Secretary.

A copy of this Circular will in future be forwarded to all subscribers on marriage.

Mr. Chapman has also suggested that the subscription of Annuitants, if paid at home, should be accepted at £10 8*s* 4*d* as the equivalent of £12 10*s*. Mr. Chapman states that taking 1*s* 8*d* as the exchange of the day, an Annuitant must either pay his subscription in India or lose £2 1*s* 8*d* a year, being one-fifth of the payment due from him in India. The Managers have informed Mr. Chapman that as his suggestion would involve a considerable loss to the Fund they are unable to accept it. It has, however, been pointed out that under Article IX of the Rules of the Fund it is always open to any Annuitant to pay his subscription in India and thus to gain any benefit which may result from the state of the exchange.

5. The Managers will propose the following addition to, and amendment of, the rules:—

After Article III add—

"In the case of subscribers holding appointments of which the pay has been fixed on a basis which specially exempts the holder from the 4 per cent. Annuity Fund deduction the salary shall, for the purposes of this Rule, be taken as if the said 4 per cent. were added to the nominal amount."

6. An application has been received from Mrs. Chapman, widow of Mr. C. Chapman, for the continuance, under Article XXIX of the Rules of the Fund, of her son, Edmund Frere Chapman's pension beyond the age of 21 years. The certificate received from Dr. Christie states that Mr. Chapman is suffering from amentia, and is as well now as he ever will be. In all probability the disease will increase as life advances. Subject to the approval of subscribers, Mr. Chapman's name will be retained on the list of Incumbents.

7. The Managers desire to report for the information of the subscribers that a reply, No. 59, dated the 11th January 1883, has been received from the Government of India to their letter No. 65, dated the 5th April 1882, regarding the proposed transfer of the Fund to Government. The Managers will at an early date circulate for the information of the service copies of the letter and of the extract from the Secretary of State's despatch which accompanied it, together with a memorandum on the subject by Major-General Hannygton. Copies of the papers will also be circulated to all Annuitants with the same object as the terms which are now proposed will materially affect their interests. A reply will at once be given to the Government of India stating the course which has been adopted, and a further communication will be made to that Government when the wishes of the service and of Annuitants have been ascertained.

8. Mr. G. J. B. T. Dalton has incurred the penalty specified in Article XXXVII of the Rules by his omission, for more than one year, to pay the subscriptions from his furlough allowances necessary to keep up his interest in the contingent benefits of the Fund. Mr. Dalton has explained that the copy of Article XXXVII which was sent to him was not received, and that he was under the impression that all subscriptions due to the Fund were deducted from his furlough pay.

The Managers submit the question of his re-admission on payment of all arrears of subscription with interest at 8 per cent. for the decision of the meeting.

The accounts for 1881-82 are submitted.

CIVIL FUND OFFICE,
The 29th January 1883.

E. E.
CHARLES S. BAYLEY,
Secretary and Accountant.

Proposed by *Mr. Wilkins*, seconded by *Mr. Badcock*, and carried—

That the Managers' proceedings in admitting the families of the late Messrs. R. Alexander, C.B., R. Trotter, R. H. Finch, H. V. Hathorn, and J. T. Rivaz, to the benefits of the Fund be confirmed.

Proposed by *Mr. Harrison*, seconded by *Mr. Blyth*, and carried—

That the action of the Managers in the case of Mrs. Margaret F. Campbell, an incumbent under the old rules, be confirmed.

Mr. Cotton then on behalf of the Managers proposed the following addition to and amendment of the rules :—

After Article III add—

"In the case of subscribers holding appointments of which the pay has been fixed on a basis which specially exempts the holder from the 4 per cent. Annuity Fund deduction, the salary shall, for the purposes of this rule, be taken as if the said 4 per cent. were added to the nominal amount."

Mr. Cotton observed that the change which would be effected by the rule was purely nominal, the rule being designed to meet the case of certain appointments from the holders of which subscriptions were no longer demanded on account of annuity ; the nominal salary of the appointments having been reduced by the orders of the Government by an amount equivalent to the subscription which was previously levied.

Mr. Westland observed that the proposal at present affected Members of Council, Judges of the High Court, and one or two other officers, the nominal salary of whose appointments had been reduced by 4 per cent., and from whom no subscriptions on account of annuity are now required ; but apparently more salaries would in future be regulated on the same principle.

The *Hon'ble C. Macaulay* seconded the proposal, which was carried unanimously.

Proposed by *Mr. Harrison*, seconded by *Mr. MacDonnell*, and carried—

That the action of the Managers in allowing Mr. Edmund Frere Chapman's name to remain on the list of incumbents be approved and confirmed.

The *Hon'ble W. F. McDonell* observed with reference to the Secretary of State's despatch, received with the letter No. 59, dated the 11th January 1883, that the Managers might receive great assistance in dealing with the proposals made by the Secretary of State and now under consideration, if they were permitted to associate with themselves any Members of the service at large whom they might wish to consult ; and he requested the subscribers present to authorize the Managers to do this.

Mr. Wilkins observed that there was nothing in the Rules to prohibit the Managers from consulting anyone from whose advice they might anticipate assistance. *Mr. Westland* considered, however, that it was very desirable that any step of this kind which the Managers might take should be taken with the approval of the subscribers present at the meeting.

The proposal was approved by those present.

Proposed by *Mr. Wilkins*, seconded by the *Hon'ble W. F. McDonell*, V.C., and carried—

That Mr. G. J. B. T. Dalton be restored to the full rights of a subscriber on payment of all arrears of subscription with interest at 8 per cent.

Proposed by the *Hon'ble C. Macaulay*, seconded by *Mr. Cotton*, and carried—

That the accounts for the year 1881-82 be approved.

Proposed by the *Hon'ble A. T. Maclean*, seconded by *Mr. Wilkins*, and carried—

That the following gentlemen be elected Managers for the ensuing year:—H. A. Cockerell, Esq., C.S.I. ; The Hon'ble L. R. Tottenham ; H. L. Harrison, Esq. ; The Hon'ble J. O'Kinealy ; H. J. S. Cotton, Esq.

A vote of thanks to the Chairman was—

Proposed by the *Hon'ble A. T. Maclean*, seconded by *Mr. Cotton*, and carried.

Tenders are invited for twenty lakhs of rupees in 4½ per cent. debentures, to be issued under the provisions of Act IV (B.C.) of 1880 and Act I (B.C.) of 1881 to provide for the cost of works sanctioned by His Honor the Lieutenant-Governor of Bengal, which loan, and the interest thereon, will be a charge on the property of the Commissioners.

The debentures will be for sums of Rs. 100 each or multiples of Rs. 100, as may be desired, made payable to order, and carrying interest at the rate of 4½ per cent. per annum, payable half-yearly (on the first day of April and first day of October) at the office of the Port Commissioners, upon presentation of the debentures. Two per cent. of the amount tendered for to be paid on application, and the balance on the 1st of April 1883, from which date interest will run.

The deposit of two per cent. will be returned if an allotment is not made, and it will be forfeited if an allotment after being made is not fully taken up.

In case a less number of debentures is allotted than is applied for, the excess of the deposit will be applied in or towards payment of the balance due upon such number as may be allotted.

Tenders in the annexed form should be filled up and sent to the Secretary to the Port Commissioners before noon of Wednesday, the 14th day of March 1883, accompanied by a receipt from the Bank of Bengal for deposit of two per cent upon the amount of each debenture applied for. The tenders will be opened in the presence of the Port Commissioners.

The minimum rate at which tenders will be accepted will be recorded under the signature of the Chairman, and before the tenders are opened, but will not be made public unless some tender is rejected only because it is below the recorded minimum.

Forms of tenders can be obtained on application to the Secretary to the Port Commissioners, and the form of debenture can be seen at the office of the Secretary. A separate tender must be made for each rate.
